

WOW! A DYNAMIC

MODEL DISPLAY STAND
of YOUR VERY OWN!

Wow! A simple, one-piece, folding display stand for your paper superheroes! Just follow the simple steps below, and in no time your figures will stand up and be counted! This unit has been designed to work with figures built using either spring or paper bead joints.

Blue line = Fold it TOWARD you
Red line = Fold it AWAY from you

***NOTE: Make all folds with the colored side to the outside.
